

JR. FORESTRY CDE

Forest Management Evaluation/ Timber Stand Improvement

AREA _____

Name _____

Team # _____

Member ID _____

School _____

Participants, please consult the Forest Management Objective of the stand while considering the following:

- Markets Available
- Wildlife Considerations
- Present Condition of Stand
- Management Plan

All trees in the selected area will be considered as a forest management site, and the participants will score each marked tree using one of the following options:

- A. Harvest — utilize the tree.
- B. Leave — the tree should remain in stand for a good reason.
- C. Deaden — Undesirable tree, not merchantable or beneficial to wildlife, should be deadened or cut down and left in woods

Tree Number	A. Harvest B. Leave C. Deaden
