Our Mission

At the Georgia FFA Foundation, our mission is to strive to ensure that the work that we do allows our members to live out the FFA mission and to achieve it with their fullest potential.

"To make a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education."

The Georgia FFA Foundation ensures the success of the Georgia Agricultural Education Program by:

- Supporting local FFA chapters and members
- Supporting the work of the Georgia FFA Association
- Providing funding and recognition to Georgia FFA members

To those that support us, we thank you!

Page 3

To our Dear Friends of Georgia FFA,

2019-2020 has been a successful year for the Georgia FFA Foundation. This year, we celebrated being a Million Dollar Foundation for the third year in a row. However, this year is a little more special as we raised over 1.7 million dollars for our 73,000 Georgia FFA members. This is a record breaking number and know that it would not be possible without your support.

Because of your faith in our members, we were able to provide funding for over 200 Career and Leadership Award Programs, award over 150 scholarship opportunities, and provide support to over 350 Georgia FFA Chapters.

It is our honor and duty to ensure that each Georgia FFA member knows that we are diligently working for them. Because of you and your support, our members are able to dream, believe, and achieve. Because of you, our members were able to live out this year's theme to the fullest, Limitless.

It has been a great year for Georgia FFA and we look forward to celebrating you and your work throughout our Annual Report. We sincerely thank you for believing in Georgia FFA. With each gift that is given, know you truly are making a difference in over 73,000 lives. The future of Georgia is in good hands because of you.

Forever Blue and Gold,

The Georgia FFA Foundation Team

Katrina Jones
Executive Director

Hillery Culpepper
Assistant Director of Development

Ashton Lovett
Events Coordinator

It Is Never Too Early to Give Back

Bryce has set up his monthly donation through Venmo to the Georgia FFA Foundation.

Normally, a college student balances a full load of classes, while being active in extracurricular activities, and working a part-time job. However, Bryce Roland has added one more project to his college plate and that is giving a monthly donation to the Georgia FFA Foundation.

Bryce is a sophomore at Abraham Baldwin Agricultural College majoring in Agricultural Education. He served as the 2018-2019 Georgia FFA State President. After his year of service, Bryce knew he did not want his journey to end there as he would have never experienced this without someone believing in him.

Each month, Bryce gives a monthly donation as he hopes to give back and also as a way to stay connected to the organization that changed his life.

"It is never too early to give back, especially to an organization that changed your life. Your donation does not have to be big as every dollar given makes an impact. I give a little each month as a way to give back and to show the members that I believe in them; the same way someone believed in me."

"Your donation does not have to be big as every dollar given makes an impact."

Bryce served as a volunteer at the 92nd National FFA Convention serving as a Workshop Facilitator.

Blue & Gold Gala

The 13th Annual Blue & Gold Gala was a successful fundraising event for our 73,000 Georgia FFA members. Friends and supporters of Georgia FFA and Agricultural Education came together for a night filled with food, networking, laughter as generous donations were given to support efforts of the Georgia FFA Foundation.

This year, 550 people attended and over \$198,000 raised because of your support. With over 80 Silent Auctions and 12 Live Auction items, our guests were able to have a wonderful night celebrating and supporting. Supporters from around the state generously donated each item that was featured in our Silent and Live Auctions.

100% of funds raised from the Blue & Gold Gala support our members. Through our largest fundraising event, we are able to fund Career and Leadership Development Events and scholarship opportunities. Thank you for believing in our members.

Shoot for Blue Aim for Gold Sporting Clays Tournament

This year's tournament was a BANG as our sponsors, donors, and competitors had a day filled with fun competition as we raised funds for our members. We celebrated our 5th Annual Sporting Clays Tournament on Friday, June 7th, 2019 at Meadows Gun Club in Forsyth, Georgia.

With 26 teams competing, we were able to successfully raise over \$17,000. Each year, we see more participation as this event grows and this was our largest Sporting Clays Tournament to date.

"The Georgia FFA Foundation always find ways to successfully fundraise for us. As a current FFA member, I am able to serve as a volunteer. This allows me to meet those that support Georgia FFA and advocate for this wonderful organization while thanking them for their support."

- Jacob Harper, Pelham High FFA Chapter Member and Foundation Volunteer

Competitors compete on a four-person team while aiming to shoot for the Top Three Highest Shooting Teams and the Highest Individual Shooter as they will receive cash prizes.
