Looking Ahead:

During the summer, train your officers, work on plans of action for your National Chapter Application, spend time visiting SAEs, work on lessons, work in the canning plant and take a PLU class.

Make life easier on yourself during the school year by putting in the work during the summer months.

Call on an Area Teacher to come and visit you. Ask questions about that new CDE you are going to do this next school year or have them help you with cleaning out and making an old facility new again!

Don’t forget to rest some too!
