

# Georgia FFA Association Creed Speaking LDE

---

## **I. OVERVIEW**

Participants in the Creed Speaking LDE present the FFA Creed to a panel of judges. Once their presentation is complete, they respond to questions directly related to the FFA Creed.

## **II. PURPOSE**

The FFA Creed outlines the organization's beliefs regarding the industry of agriculture, FFA membership and the value of citizenship and patriotism. The Creed is recited by FFA members as part of the requirements to earn the Greenhand FFA Degree. The purpose of the Creed speaking Leadership Development Event is to develop the public speaking abilities of FFA members as well as develop their self-confidence and contribute to their advancement in the FFA degree program.

## **III. ELIGIBILITY**

This event is open to students in grades 6-9 who are agricultural education students and are paid members of a chartered FFA chapter. Each student's name must appear on the chapter's FFA roster at least 10 days prior to competition above the chapter level.

Members who are participating in the area competition must first have qualified through earlier elimination brackets (if necessary). The top two participants in each area are eligible for state competition. This LDE does have a national level of competition. A winning student may not participate in any other LDE that has a national competition. Also, no student who is already a member of a state winning LDE team that will participate in a national competition is eligible to participate. A student may only participate in one state speaking competition per year.

## **IV. SPECIAL NEEDS REQUEST**

To report any special needs or request special services for a student to compete in a Leadership Development Event or FFA Award area (Area or State level), it is the responsibility of the FFA advisor to provide a detailed and specific request and explanation in writing. Requests should include written documentation from the school system verifying the IEP and need being requested. Written requests must be submitted to the CDE/LDE Superintendent prior to registering for the CDE/LDE/event (at least 3 weeks prior to the date of competition).

## **V. RULES**

1. The Creed Speaking event is limited to one student per chapter on the area level, and two students per area on the state level.

### VI. EVENT FORMAT

- A. The event will include an oral presentation and answering critical thinking questions directly related to the Creed. Each participant will be asked three questions per round with a five minute total time limit for answers. Judges in a round will use the same questions for each contestant speaking in their room. The questions used will change for the candidates who advance to the final round. Questions will be selected from a bank of questions provided to the judges by the LDE Superintendent.
- B. Members will present the Creed from the current year's Official FFA Manual.
- C. The event will be a timed activity with four minutes for presentation. After four minutes, the participant will be deducted 1 point for every second over set time.
- D. The state Creed LDE will be conducted in two rounds: preliminary (12 participants; 2 flights of 6 speakers per room), and finals (4 participants; top two from each preliminary room).
- E. Speaking order will be randomly drawn as determined by the LDE Superintendent.
- F. Each participant will recite the Creed from memory. Each participant shall begin the presentation by stating, "The FFA Creed by E.M. Tiffany." Each LDE participant should end the presentation with the statement, "... that inspiring task. Thank you." Additional introductory or concluding remarks will result in accuracy deductions as indicated on the scorecard.
- G. At the time of the event, the judges will be seated in a designated section of the room in which the event is held. They will score each participant on the delivery of the Creed, using the score sheet provided.
- H. Timekeepers will be designated to record the time used by each participant in delivering his/her speech. Content accuracy judges will record the number of recitation errors during delivery.
- I. When participants have finished the presentation and answering questions, each judge will total the score of each speaker. The timekeepers' and accuracy judges' records will be used to compute each contestant's final score. The judges' score sheets will then be submitted to event officials to determine final rankings.
- J. Participants will be ranked in numerical order on the basis of the final score to be determined by each judge without consultation. The judges' ranking of each participant then will be added, and the winner will be that participant whose total ranking is the lowest.

### VII. SCORING

Total possible points for the Creed CDE is 1000 points. Please see the Creed LDE score sheet below (page 4).

*Consult the National FFA Career Development Handbook or the CDE section of the National FFA website ([www.ffa.org](http://www.ffa.org).)*

### VIII. TIE BREAKERS

Ties will be broken based on the greatest number of low ranks. Participant's low ranks will be counted and the participant with the greatest number of low ranks will be declared the winner. If a tie still exists, then the event superintendent will rank the participant's response to questions. The participant with the greatest number of low ranks from the response to questions will be declared the winner. If a tie still exists then the participant's raw scores will be totaled. The participant with the greatest total of raw points will be declared the winner.

### The FFA Creed

I believe in the future of agriculture, with a faith born not of words but of deeds--achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so--for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

*The creed was written by E.M. Tiffany, and adopted at the 3<sup>rd</sup> National Convention of the FFA. It was revised at the 38<sup>th</sup> and the 63<sup>rd</sup> Convention.*
