**Frequently Asked Questions**

**What is an Extended Day Hour?**
Extended Day is compensation for one hour of work beyond the regular eight hour school day for each instructional school day. You should report all hours worked beyond the school day for all FFA, SAE, Agricultural Education, etc... activities that directly relate to your duties as an Agricultural Educator.

**What constitutes an Extended Year Day?**
An Extended Year Day is eight or more hours of work performed on a single day outside of the 180 instructional school days and 10 pre-planning, post-planning and teacher work days.

**What days of the month should I report?**
Every day of the month should be documented.

**What is a contact?**
A student that is under your direct supervision during an extended day or extended year activity; A meeting conducted with a parent, business leader, farmer or other stakeholder where you discuss with or educate them about the FFA and/or Agricultural Education issues; This does not include social visits.

**How do I count contacts at Summer Leadership Camp, Livestock Shows, CDE's, Civic Club meetings, etc...?**

*Summer Leadership Camp* - Your contacts are those students that you have direct supervision over from your chapter and/or from a colleagues Chapter if the students have been assigned to you and your cabin. You may also count adults (fellow teachers, presenters, etc.) with whom you have a professional discussion that relates to the FFA and/or Agricultural Education program.

*Livestock Shows and CDE’s* - Your contacts are those students that you have direct supervision over from your chapter. You may also count parents, family members and community members who are participating in the event or assisting in the event on behalf of your Chapter. You may also count adults (fellow teachers, producers, judges, etc.) with whom you have a professional discussion that relates to the FFA and/or Agricultural Education program. If you coordinate and host an event you may count everyone in attendance.

*Civic Club Meetings* - If you and/or your Chapter Members conduct a formal presentation to a civic group meeting you may count everyone in attendance. If you are attending as a member or guest of the organization but do not make a presentation you can only count those adults with whom you discuss FFA and Agricultural Education issues.

**How many non-school days can I count as Extended Years days?**
Teachers employed on an eleven month contact may count up to five Saturdays, Sundays and Holidays as Extended Year Days. Teachers employed on a twelve month contact may count up to ten Saturdays, Sundays and Holidays as Extended Year Days.

**What is the difference between Contact Hours and Extended Day/Year Hours?**
A contact hour is the actual time that you participated in a professional improvement activity. Extended Day and Extended Year hours are the hours that you worked beyond the normal instructional school day.
