

## **Position Announcement: Animal Science Area Teacher – South Region**

The Georgia Agricultural Education Program is seeking qualified candidates for the position of Area Teacher in Animal Science in the South Region.

*Posting Date: March 1, 2019*

*Application Deadline: Until Filled*

*Position Title: Animal Science Area Teacher – South Region*

*Location: South Region Office, Tifton, Georgia*

*Employment Beginning Date: July 1, 2019 or until filled*

### **Position Description:**

The position of Area Animal Science Teacher of Agricultural Education is responsible for planning, prioritizing and delivering educational programs in Animal Science and Livestock related areas in the South Region to Agricultural Teachers and Students. The position provides specialized assistance to teachers of agriculture to meet the needs of cutting-edge technology in the areas of instruction, curriculum development, facilities, laboratories, and equipment.

This position provides long-range planning, goal setting, and prioritizing to effectively and efficiently deliver educational programs for the Agricultural Education Teachers in the area of Agricultural Animal Science. This position builds connection between FFA, Young Farmers and other organizations that deliver high quality educational programs.

The Area Animal Science Teacher provides specialized instruction for Agricultural Teachers, Adults, and in-school students to meet the needs of the Agricultural Industry.

### **Description of Specific Duties:**

Administrative Duties:

- ❖ Provide administrative support and guidance to assigned agricultural teachers.
- ❖ Assist the Region Coordinator in working with teachers and administrators to develop balanced programs in each local agricultural education program.
- ❖ Assist the Region Coordinator in conducting school improvement activities and evaluation of standards.
- ❖ Assist the Region Coordinator in reviewing monthly reports and programs of work to insure the teacher is carrying out a balanced program.

**Program Development Duties:**

- ❖ Provide technical assistance to agriculture education teachers in teaching secondary and post-secondary classes.
- ❖ Provide instruction for groups where instructional services are provided in connection with a local agriculture education program.
- ❖ Provide technical assistance to agriculture teachers in the maintenance and operation of specialized agriculture facilities, laboratories and equipment.
- ❖ Develop and provide staff development in program areas that will serve the teachers and students of agricultural education with the most up-to-date and advanced technology available in animal science.
- ❖ Develop lesson plans and instructional materials related to animal science to be included on the Agricultural Education Curriculum Web Site, Resource CD/DVD, or Flash Drive.
- ❖ Provide training for teachers and students that participate in the FFA Career Development Events and leadership events related to animal science or other assigned areas.
- ❖ Assist the Region Coordinator and State Program Manager in developing new and visionary educational program that are designed to meet the mission and goals for Agricultural Education.
- ❖ To remain knowledgeable and technologically proficient through professional development in the area of animal sciences to better meet the needs of agriculture teachers and students.
- ❖ Serves as a liaison between the agricultural education program and the agricultural industry.

**Other Duties:**

- ❖ Provide additional duties as directed by the South Region Director and the State Program Manager of Agricultural Education

**Minimum Qualifications:**

Education: Bachelors in Agricultural Education with three years' work experience with proven performance record. Master's Degree Preferred.

*Skills Required:*

- ❖ Ability to think strategically and align goals and resources.
- ❖ Ability to manage multiple priorities and work with diverse people and ideas.
- ❖ Ability to work and lead in a team environment.
- ❖ Demonstrate collaboration, consensus-building and networking skills.
- ❖ Strong interpersonal, communication, leadership and subject matter skills are necessary.
- ❖ Well defined organizational skills.

Salary: Teacher's salary plus supplement.
