## Step 1: Prepare for Recording

1. **Choose a Recording Device:**
    - Use a smartphone, tablet, or a digital camera. Ensure the device has enough storage space and a good-quality camera.
  2. **Set Up Your Environment:**
    - Find a quiet and well-lit location.
    - Minimize background noise and distractions.
    - Do a test run to ensure your audio and video settings are correct.
- 

## Step 2: Upload Your Video to YouTube

1. **Sign In to YouTube:**
  - Open [YouTube](#) on your web browser or YouTube app.
  - Sign in using your Google account.
2. **Go to the Upload Section:**
  - Click on the camera icon with a "+" sign ("Create") in the top-right corner.
  - If prompted, select "Upload video."
3. **Select Your Video:**
  - From computer, Click "Select files" or drag and drop the video file into the upload area.
  - From phone or other device, select video to upload.

4. **Fill Out Video Details:**
    - Add a title (Chapter Name - Student Name - 2025 Spanish Creed).
  5. **Choose Visibility Settings:**
    - **Public:** Anyone can view your video.
    - **Unlisted (Recommended):** Only those with the link can view it.
    - **Private:** Only specific people can view it.
  6. **Select Audience:** Either option is fine
  7. **Upload the Video:**
    - Click "Next" to proceed through the steps.
    - Click "Publish" or "Save" depending on the visibility setting.
  8. **Copy the Video Link:**
    - Once the upload is complete, a link to your video will be displayed. Copy the link.
    - You can also access the link by clicking "Share" and copying the link.
- 

## Step 4: Email the Video Link

1. **Open Your Email and Compose a New Email:**
